Address	: No. (150/5), (30) St, bet 82*83 St, Chan Aye Thar Zan Township, Mandalay

CAREER OBJECTIVE

Seeking a challenging and responsible position which would effectively utilize my experience, knowledge and abilities, self-confidence, team spirit, self-motivation and proficiency of IT technologies in an engineering field.

PERSONAL PARTICULARS

Name	: Mr. Zin Lin Htet
Gender	: Male
Marital Status	: Single
Date of Birth	: June 6, 1995
NRC No	: 9/KhaAhZa (N) 025909
Education	: B.E (Information Technology)

SUMMARY

Skilled in PHP and Java development, I specialize in creating dynamic web applications and systems. My proficiency spans across frameworks such as Laravel and Spring Boot, enabling me to optimize development processes and ensure scalability. Additionally, I possess expertise in frontend technologies like HTML, CSS, JavaScript, and popular frameworks including Bootstrap, Vue, React, and Angular. With a focus on efficient collaboration, I effectively utilize Git and Github for version control. Combining strong problem-solving abilities, efficient time management, and clear communication skills, I am dedicated to delivering high-quality solutions in fast-paced environments. Committed to continuous learning and embracing new challenges, I am poised to contribute effectively to innovative projects.

WORKING EXPERIENCE

Brycen Myanmar – Web Developer
August 2023 – February 2024

- ❖ Doing documents
  (Unit Test, Integration test, Basic design, Detail design, RD document, Table design)
- ❖ Develop the project with Angular and Java
- ❖ Troubleshooting, testing, and maintaining web applications as well as database to ensure strong optimization and functionality

Brycen Myanmar – Web Developer (Internship)
May 2023 – July 2023

- ❖ Security Basic and Network
- ❖ Git
- ❖ Shell
- ❖ MySQL Database
- ❖ CSS/Bootstrap
- ❖ Laravel
- ❖ Rest API
- ❖ Coding Standard · Unit Testing/Combined Testing documentations
- ❖ PHP
- ❖ JavaScript

Bliss Stock Company – System Engineer
March 2022 – April 2023

- ❖ Doing Documents based on Requirement Definition, Coding, Design and Layout of the website that leader assigns the part or section of the project with HTML, CSS, Bootstrap, JavaScript, Java, Spring Boot
- ❖ Using Dockers, Git and Github for the project
- ❖ Troubleshooting, testing, and maintaining web applications as well as database to ensure strong optimization and functionality
- ❖ Releasing the final project

Mytel Myanmar (Mandalay Branch) – Field Operation Engineer
August 2017 – November 2020

- ❖ Making SLA and design layouts

- ❖ Supervising the sites for civil work

- ❖ On-Air new site and M&E Integration

- ❖ Negotiate with VEC to get Grid

- ❖ Manage the vendor for Grid application for sites

- ❖ Maintenance the power equipment (Generator, Solar)

- ❖ Fixing the RRU alarm, ODU error and antenna issue on the tower

- ❖ Checking and clear BBU alarms, IDU alarms and sector down/cell down

- ❖ Take care the incident case (Site down cases, fiber broken)

- ❖ Repairing high loss on fiber link in order to the good transmission

- ❖ Realignment MW when bad weather effects

- ❖ Doing Antenna adjustment as per Radio department's request

- ❖ Making the drive test for the network quality and solving the customer complaint

Asia Mega Link Company MDY (MPT) – NOC/Network Engineer
February 2017 – July 2017

- ❖ Monitoring the incident cases (Site Down) on server

- ❖ Informing to the respective site manager to fix the issues

- ❖ Maintaining the stability of the core network

- ❖ Documentation and reporting the incident cases

EDUCATIONAL BACKGROUND

Degree	Year Obtained
B.E (Information Technology)	
Technological University (Mandalay), Myanmar	2015-2016

CERTIFICATES OF COMPLETION

- ❖ A+ Hardware Engineering, Internet and e-mail (iNet)

- ❖ English Proficiency Course Intermediate Level

- ❖ Mobile Information Literacy

- ❖ Cisco Certified Network Associate – CCNA (Loop Avoidance)

- ❖ Diploma in Information Technology (KMD Institute)

- ❖ Web Development with PHP (Host Myanmar Mandalay - HMM)

- ❖ PHP and Laravel Camp (Host Myanmar Mandalay - HMM)

LANGUAGES

- ❖ English, Japanese
- ❖ N4 JLPT certificate (2022, July)
- ❖ N3 JLPT certificate (2023, Dec)
- ❖ N2 still studying

TECHNICAL SKILLS

- ❖ HTML, CSS, Bootstrap, JavaScript, jQuery, Ajax, Vue, React, Angular
- ❖ PHP, Laravel, Java
- ❖ Git and Github
- ❖ Project with Pure PHP (Food Ordering System) @HMM OJT
- ❖ Project with Laravel MVC (Employee Management System) @Brycen Myanmar's Internship

SOFT SKILLS

- ❖ Problem-solving
- ❖ Collaboration
- ❖ Time management and Adaptability
- ❖ Attention to details
- ❖ Positive attitude
- ❖ Excellent customer service
- ❖ Excellent communication skills
- ❖ Strong leadership skills & Self-motivation skills

PERSONALITY

- ❖ Ability to work under high pressure and take full responsibilities for assigned tasks
- ❖ Teamwork & Leadership
- ❖ Enthusiastic to work in a progressive organization & challenging work environment for learning & growth
- ❖ Good personality and obedience
- ❖ Reasonably good communication skills, presentation skills

INTERESTS & OTHER INFORMATION

- ❖ Learning new technologies
